

Flier Requirements

- Horizontal / Landscape 1920 x 1080 pixels
- Must be a JPEG file to be supported on Facebook, Website, and BIG SCREEN
- If a vertical poster is desired, there still must be a horizontal file
- Must include official church logo – available from office
- Scripture (either Acts 2:21 or the scripture for the event theme)
- Location of event
- Date / Time of event
- Contact name and number for event coordinator or spoke
- Fliers need to be emailed to the church office to be proofed before distributed on social media or printed.
- If an event on facebook is desired, please allow the production team to create the event so that it originates from the official church page. There are 10, 000 + followers that will see the event and share it.

If you are need of someone to assist in the creation of the poster, please contact the church office for graphics designer contact information.
